

SCHOOL REPORT (2024-25)
ST. FRANCIS CONVENT SCHOOL, SIKANDRA, AGRA
“Learning is a treasure that will follow its owner everywhere “

The aim of **St. Francis' Convent School** is to impart training in all the fields, namely, **academic, physical, cultural, spiritual and moral** and to awaken the **creative interest, attitudes, values and skills of the students** and to enable each one to be a self-motivated person, capable of making a difference in his /her neighbourhood. Hence St. Francis' Convent School is Community of learning in which all **members, students, staff and parents participate**. Students are exposed to social issues of **Justice, peace**, concern for the underprivileged and the environment.

The school is committed to giving students a **sense of God, a sense of Sacredness of life and the need for sound spiritual ethos**. It has a whole year-round planner with projects and programmes to inspire the students to grow into good men and women with a **strong sense of family, social and national responsibility** and to remain deeply rooted in one's own cultural identity but open to appreciate and welcome all that is good in the culture of the other.

The school paves way for a holistic growth of an individual by providing a structured learning environment, fostering academic growth, nurturing social and emotional skills, encouraging critical thinking, promoting positive values and tailoring a curriculum to cater to each one's need. The school meticulously plans the academic sessions keeping in mind the above stated vision and mission of the Institution. The following are to mention a few:

The school tailored an academic calendar keeping Periodic Tests, Half Yearly exams, Pre-Board and Annual Exams in mind and enabling students to learn various skills such as effective time management, critical thinking etc. Additionally, the school also keeps Remedial Classes (after school hours) of 1 hour for weak students of all classes.

Enrichment Programmes

The school aims at holistic growth of each child. In order to understand their day-to-day problems and to build a good relation with them, CTP (Class Teacher Period for one-and-a-half-hour) is undertaken once a week to meet each student in person and to understand, guide and counsel the students too. This definitely acts as a panacea in solving major problems of the learners. Besides this the school counsellors are allotted counselling period in their timetable to meet children with extra need. In the same context time to time PTMs are organised to aware the parents about overall growth of their child. Many times, parents are separately called to discuss their intrigue matters. Motivational seminars/ talks are conducted by the class teachers for all classes on the topics provided and age appropriate. Parents orientation as well as counselling too is done if required.

The staff is an active participant in all online/ offline capacity building programmes organised by CBSE, and other subject related workshops organised by various publishers from time to time too. In the same context workshops on Health and Wellness, Developing Hindi Language Skills, Making classroom Happy through English Communication was attended by the teachers wherein they later took a similar workshop for their colleagues. An offline seminar on Financial Literacy was also organised in the school premises. Time and again peer teaching is also done in order to learn, unlearn and re-learn.

Social Concern

The need of the hour is to produce citizens with character and conscience. The school is constantly promoting the same by nurturing the essence of humanity into these young minds.

- Each year students collect provisions to be given to various places such as Leper's colony, Blind school, Missionaries of Charity, Old age homes etc. Students accompany their mentors to such places where they learn that life gives hundred reasons to cry but it is up to us to make someone's life smile. In this way it fosters their emotional growth. Teachers too contribute separately and provide necessary things to the people found near road sides, construction sites etc.
- The school provides tricycle for physically challenged persons in collaboration with ACDSS.
- As a part of humanitarian society, the school also provides fee compensation/ free-ship to students belonging to economically backward classes and to those who lost their sole earning member.

Sports and Games

The school imparts facility for physical development through various games and sports which are a part of school curriculum too. Trained PTI, proficient in these games coach the students with ardent zeal.

- Yoga
- Badminton
- Volleyball
- Kho-Kho
- Football
- Mass P.T. during assembly
- Cross Country event on National Sports Day
- Basketball
- Chess
- Tug of War

Every year the students participate in the CBSE Cluster sports activities and win many medals.

Safety and Security

As far as educational institutions are concerned, safety and security are of prime importance these days. The school not only provides a conducive environment for studies but also adopts various measures for safety of its students. Some of the measures adopted are:

- CCTVs, Fire extinguishers on each floor to check any mishap, Proper e-care system for better and quicker communication.
- Records of all van/auto drivers (photocopy of driving license, vehicle registration etc.)
- Record registers for students taking half day leave. (Duly signed by the concerned person with his whereabouts and contact details), Record register for late comers
- Health record of each student
- POCSO Committee, Grievance Cell, Discipline committee for time-to-time inspection of students, Anecdotal records etc., are kept
- Fire safety and evacuation drills are done time to time.

The hallmark of our school education proclaims to live a modest life with a character well knitted with humanity, love, sacrifice and brotherhood towards others. It also aims at integral formation of people. To acknowledge the same, prayer meetings are held periodically to mould the children into a well-grounded human.

To sum up, the school along with management support and guidance is meticulously working to fulfil the aim of education in the most upright manner. It is indeed a challenge which we are trying to meet each year and will continue to toil for the same. The school also appreciates the whole hearted co-operation of different agencies working to build a wonderful nation through these young minds. In the end we pray to Almighty to bless each one who is contributing to make this world a better place to live in.
